## Invincible

♪ Intro/Chorus ♪

You can leave me here alone.  
You'll be hunting high and low.  
'cause you look at me invincible.

Try to catch me if you can,  
I am stronger than a man,  
But you look at me invincible.

♪ Verse 1 ♪

Show me your face, so blank and stern.  
You got that look and soon your eyes will burn.  
For a tick I suppose you're a vampire.

♪ Verse 2 ♪

Carry me home - I'm obsessed by you  
I will lose my temper, a cap in hand,  
am I lost - will I end up as your prey, now?

♪ Chorus ♪

♪ Verse 3 ♪

I follow my mind, and resist this act,  
although it's hard to find another chance like that,  
ahaha, I can't pluck up courage and retract.

♪ Verse 4 ♪

On the other hand, what could I really win,  
when I lose control and devote myself,  
oh my god, is the prize of life really worth this...?
